Changes to Service 1 from Sunday 2 November 2025

Following customer feedback, some journeys are retimed.

These timetable changes will help to improve overall reliability, but especially during the busier peak school time periods. As a result of the new timetable, some journeys may depart slightly earlier or later, but these changes will help to better reflect the congestion which can be encountered.

There are also some minor consequential changes to later evening buses.

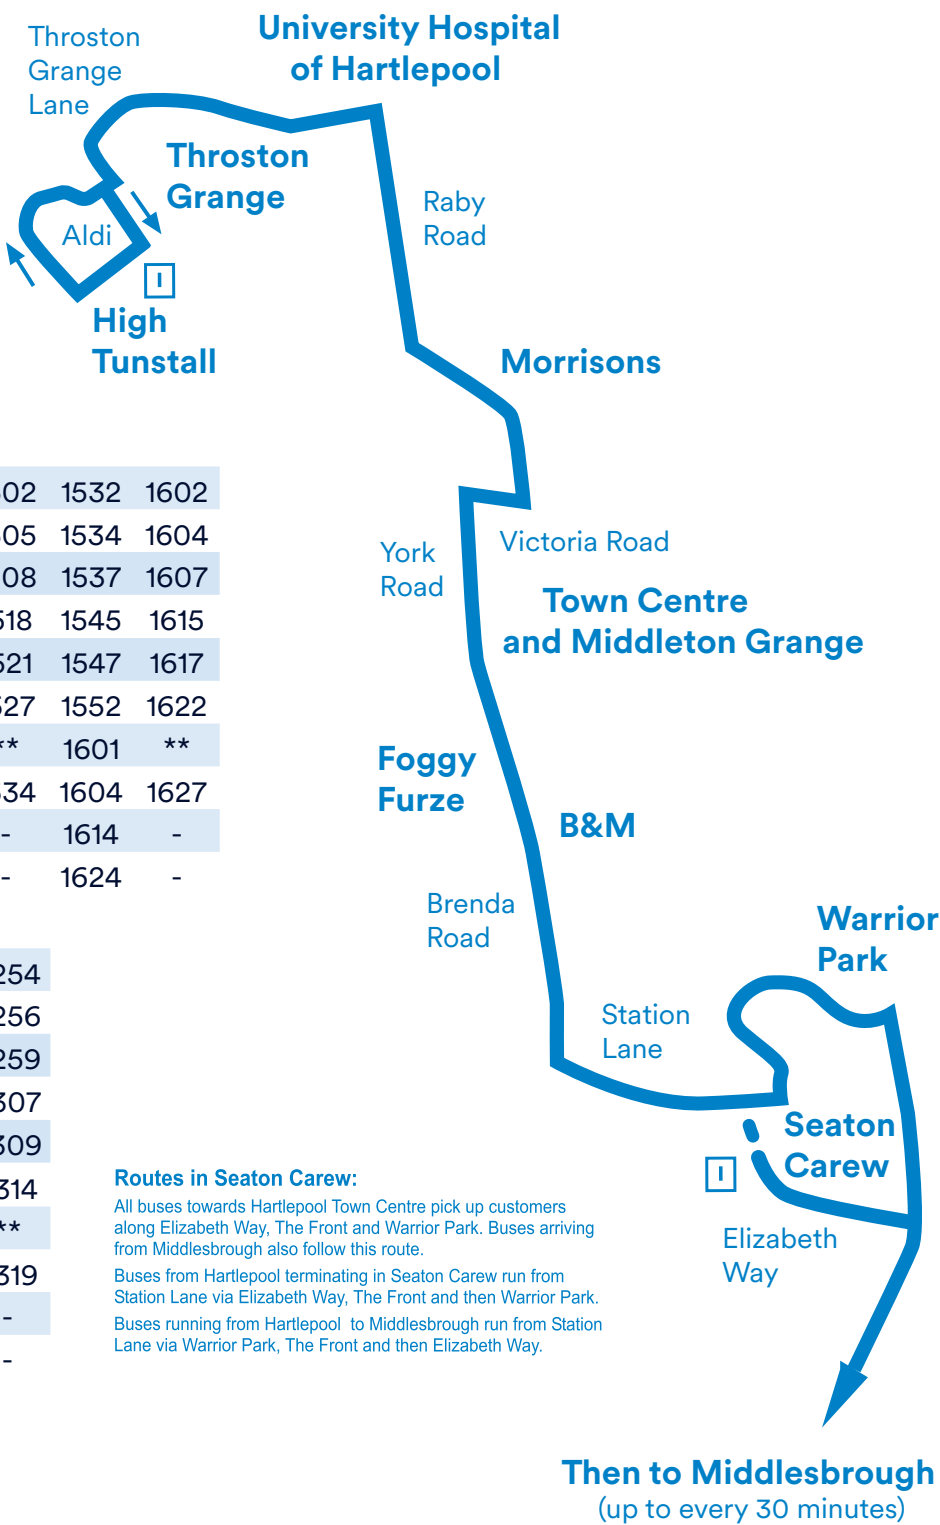

Frequencies continue unchanged, with daytime buses running up to every 15 minutes within Hartlepool, and then extending up to every 30 minutes across to Middlesbrough, via The Clarences.
